As a member of Halifax Golf Club I agree to be bound by the Rules & Constitution of the Club at all times including the following rules specific to membership:

19.3 Annual subscriptions will be payable to the Company on or before 1st May of each year. The amount due will be notified to all Members, giving at least 30 days notice for payment. Subscriptions may be paid by 12 consecutive monthly instalments commencing on the 1st of May each year.

19.4 Any member whose subscription is one month in arrears shall have his/her name displayed in the clubhouse and all rights and privileges shall be withdrawn. If the arrears are not brought up to date within 21 days of the posting of the list they will be deemed to have resigned from the club. Their name will be removed from the register of members. In the event of any member ceasing to be a member during any membership year there will be no refund of the membership fee. Once a member has been omitted, the club shall not be obliged to refund any part of the membership fee in any circumstances. The payment of subscriptions on a standing order is payable by 12 monthly instalments and is a contractual agreement for the whole amount of the annual membership subscription and all monthly payments must be made. Should members fail to make payments under a standing order agreement they shall be liable for the remaining amount of the annual subscription for which they will be invoiced. Any member changing his/her address must intimate the change in writing to the club without delay.

19.5 Any Member so suspended shall be contacted by the Membership Director to ascertain the reason for their payment default. The Member may be reinstated on payment of the outstanding debt or their membership will be terminated.

19.6 Membership of the Club constitutes an annual contract and any Member wishing to resign from the Club shall give three calendar month's notice in writing to the General Manager, such notice to be served prior to 1 February in that particular year. Failure to serve such notice shall commit the Member to pay the full annual subscription.
