ABOUT US

Established in 1895, the course was designed by leading Architect and five times Open champion, James Braid. Halifax GC has proudly remained a challenge for the purist golfer through the years. Combining the distinctive beauty of the Yorkshire landscape, with excellently maintained greens, challenging holes and quick drying moorland, Halifax GC provides a true test of golf from the very first hole.

Widely regarded as the best course in Halifax and one of the best in West Yorkshire, we were recently rated as the 145th best course in England, By the National Club Golfer Magazine and our signature 17th is rated in the Top50 Par 3's in the UK, by Today's Golfer Magazine - we truly have a course that really is a must play.
